

2025 - A Year of Positive Impact

Dear Friends of Love INC,

As we approach the close of 2025, I'm grateful to share that your kindness and partnership has allowed us to walk alongside **427 families** this year. Through the generosity of our donors, the dedication of our volunteers, and the support of our partner churches, we have been able to bring hope, encouragement, and practical assistance to those who need it most.

Throughout this year, we've shared remarkable stories on social media, in newsletters, and in church presentations—stories of transformation, renewed hope, and lives changed. We've witnessed families finding relief during home visits, individuals regaining confidence, and neighbors discovering new possibilities. This impact will continue in 2026, but only with your partnership as we grow into the next phase of ministry.

As we look ahead to 2026, we invite you to consider a **year-end gift** to help us continue this life-changing work. Your financial support equips our staff to serve with compassion and excellence, enables us to plan responsibly for the coming year, and ensures that families in crisis receive consistent, long-term help.

Our vision for 2026 is bold:

- Bringing staff into full-time roles so we can serve more consistently
- Launching a new level of ministry that will significantly strengthen the support we offer
- Expanding office hours to respond more quickly to the many families who call
- Meeting even more needs across DeKalb County

Your generosity drives these efforts! Since **Love INC of DeKalb County** began partnering with local churches in 2009, we have served **31,339 people**. I firmly believe this ministry was planted here by God through the churches that envisioned it. They felt called to lead in service, stand with those struggling, and offer real options for hope. I share that calling, and it grows stronger day by day. I want to see our work continue. Your year-end gift is vital. It allows us to keep walking alongside those transitioning out of homelessness, survivors rebuilding after domestic violence, individuals living with handicaps, and so many others in our community who simply need someone to walk alongside them.

Will you partner with us again this Christmas season so that we can continue to help families move from crisis to stability and from fear to hope?

Thank you for being a blessing to our community.
